I hereby request a waiver pursuant to the Amesbury Wetlands Regulations § 7.13 from the following section(s) Section 21.7(5) Structures.

of the aforementioned regulations. The reason(s) for the waiver request is/are (use additional sheet if necessary):

The entire property lies within the Riverfront area, and the buffer zone to a BVW and Bank. The applicants wish to replace an existing 6.5' x 36' deck and construct a new 18' x 20' deck. There is no backyard area due to the wetlands so a new deck was the most reasonable alternative with the least disturbance to the buffer zone.
